

# AQUAMATIC II

SWISS-MADE AUTOMATIC

## DIVE / WATERSPORTS

This is the latest edition of our legendary automatic watch for the serious diver. A stunning display back reveals the deluxe, Swiss-made movement. Each watch is rated to a depth of 30ATM. Superb craftsmanship, the best components and meticulous attention to detail make this subtle new take on a long Momentum® tradition something truly out of the ordinary. Built to last a lifetime.

Voici la nouvelle version de notre légendaire montre automatique, conçue pour le plongeur sérieux. Chaque montre est testée étanche à 30 ATM, avec un fond-de-boîtier transparent, qui révèle le mouvement Swiss-Made haut-de-gamme. Basée sur la tradition horlogère suisse, mais construite avec une série de détails subtils qui la rend tout-à-fait moderne et extraordinaire.

Diese ist die neueste Version unserer legendären Automatikuhr für Taucher. Jede Uhr ist bis 300M getestet, mit einem Glasboden, durch den man das vergoldete Werk sehen kann. Die Aquamatic II überzeugt durch eine gelungene Kombination der Schweizer Uhrmachertradition und der modernen Technologie. Ein subtiler Klassiker mit Stil.
